

## **GOLF REPORT**

We were unable to hold our Dy'vorians' golf day in 2020 owing to the pandemic. With restrictions then stretching into 2021, I felt that it would not be a wise move to try and organise the event in April/May of this year.

With the annual dinner being organised for late October 2021 it has been suggested that we hold the golf day on the morning of the dinner as is usual practice. However, several members have put forward the suggestion that we hold the event sometime in September.

I would appreciate any views as to preferences of the dates and also preferred day of the week.
